Sample of Current University TERMS AND CONDITIONS for Contracts for Professional Services*

1. **Term of Agreement.** This Agreement is effective on the date indicated on the cover sheet in which these terms and conditions are referenced (“Cover Sheet”) and shall remain in effect until the date indicated on the Cover Sheet, or until all obligations set forth in this Agreement have been satisfactorily fulfilled, or the Agreement has been terminated, whichever occurs first. Contractor shall have a continuing obligation, after said Contract period, to comply with any provision of this Agreement intended for University’s protection or benefit, or that that by its sense and context, is intended to survive the completion, expiration or termination of this Agreement. CONTRACTOR UNDERSTANDS THAT NO WORK SHOULD BEGIN UNDER THIS AGREEMENT UNTIL ALL REQUIRED SIGNATURES ON THIS AGREEMENT HAVE BEEN OBTAINED. ANY WORK PERFORMED BY CONTRACTOR PRIOR TO SUCH TIME SHALL BE CONSIDERED AS HAVING BEEN PERFORMED AT CONTRACTOR’S OWN RISK AND AS A VOLUNTEER.

2. **Scope of Work.** Contractor shall perform all of the services set forth in the Cover Sheet and any exhibits attached thereto (“Scope of Work”). Contractor understands that time is of the essence in this Agreement and agrees to meet all milestones indicated on the Cover Sheet and any exhibits attached thereto.

3. **Consideration and Terms of Payment.** The consideration for all services (and goods if any) performed or supplied by Contractor under this Agreement shall be paid by University as follows:

3.1. **Total Obligation.** University’s total obligation to Contractor under this Agreement, including compensation for goods, services, and reimbursable expenses, shall not exceed the amount indicated on the Cover Sheet without the prior written approval of University.

If expenses are reimbursable, each request for reimbursement must be itemized and accompanied by receipts. Requests for travel and subsistence expenses must be consistent with University’s travel policy, a copy of which may be obtained from University’s Purchasing Services, and clearly indicate prudent use of public funds.

3.2. **Frequency of Invoicing and Terms of Payment.** Contractor shall submit invoices upon completion of the milestones described in Exhibit A, or as may otherwise be provided in Exhibit A. University shall pay such invoices consistent with Section 4.8. (Terms of Payment).

4. **General Terms and Conditions.** The terms and conditions contained in this Agreement shall govern and shall take precedence over any different or additional terms and conditions which Contractor may have included in any documents attached to or accompanying this Agreement. Any handwritten changes on the face of this document shall be ignored and have no legal effect unless initialed by both parties. If this Agreement was made pursuant to a Request for Proposal (RFP) or Request for Information (RFI), the following order of precedence shall apply: (1) this Agreement and its Exhibits, (2) University’s RFP or RFI, and (3) Contractor’s Response to University’s RFP or RFI.

4.1. **Choice of Law, Forum Selection, Entire Agreement, and Amendment.** This Agreement shall be construed under Minnesota law (without regard for choice of law considerations) and the policies and procedures of University, as amended from time to time. Any action arising out of this Agreement shall be heard by a state court in Minnesota. For this purpose, Contractor specifically consents to jurisdiction in Minnesota. This Agreement constitutes the entire agreement and understanding of the parties and replaces any prior or contemporaneous agreement, whether written or oral. University shall not be bound by any amendment to this Agreement unless such amendment has been signed by University’s Director of Purchasing Services.

4.2. **Warranty.** Contractor expressly warrants and guarantees that the services performed under this Agreement will be of the highest professional standards and quality. Contractor further represents that all services and goods (if any) provided under this Agreement: (i) are free from defects in material and workmanship; (ii) are of the quality, size and dimensions ordered; (iii) are fit for the particular needs and purposes of University as may be communicated to Contractor; (iv) comply with the highest warranties and representations expressed by Contractor orally or in any written advertisement, correspondence, response to University’s RFP or RFI, or other document provided to or in the possession of University; (v) comply with all applicable laws, codes and regulations (including any published by any national or statewide association or groups); and (vi) are not restricted in any way by patents, copyrights, trade secrets, or any other rights of third parties. If any of the foregoing warranties is breached, Contractor agrees to correct all defects and nonconformities at Contractor’s sole expense, to be liable for all direct damages suffered by University and any other persons, and to defend, indemnify, and hold harmless University and its regents, faculty members, students, employees, and agents from any claim asserted by any person resulting in whole or in part from such breach. The foregoing warranties and guarantees shall not be deemed waived by reason of the acceptance of the goods or services or payment by University.

* Terms and Conditions may be updated at the University’s discretion, at any time prior to the agreement’s execution.

4.3. Inspections and Improper Delivery. University shall have a reasonable time (but not less than thirty [30] days) after receipt to inspect and test any goods or services provided under this Agreement and reject any or all items that are, in University's sole judgment, nonconforming or defective. Goods or services rejected or supplies in excess of quantities ordered may be returned to Contractor at Contractor's expense. University also reserves the right to refuse any goods or services and to cancel all or any part of this Agreement if Contractor fails to deliver all or any part of the goods or services in accordance with the terms and conditions of this Agreement. Failure by University to inspect and test the goods or services shall not relieve Contractor of such responsibility. Any acceptance by University shall not be deemed a waiver or settlement of any defect or nonconformity in such goods or services. If University elects to accept nonconforming or defective goods or services, University, in addition to its other remedies, shall be entitled to deduct a reasonable amount from the price thereof to compensate University for the nonconformity or defect.

In the event of any assignment, Contractor shall remain responsible for its performance and that of any assignee under this Agreement. This Agreement shall be binding upon Contractor, and its successors and assigns, if any. Any assignment attempted to be made in violation of this Agreement shall be void. Notwithstanding any notice of assignment, University's tender of payment to Contractor named herein, or to any person reasonably believed by University to be entitled to payment, shall satisfy University's obligation to pay, and in no event shall University be obligated to pay twice or be liable for any damages due to failure to pay the correct party.

4.5. Taxes. University is exempt from paying Minnesota sales and use taxes on certain purchases, as provided in Minnesota Statute, Section 297A.70 Subd 2(a). Contractor shall not charge University for such sales and use taxes. Alternatively, Contractor shall be responsible for the payment of any and all sales taxes to the Minnesota Department of Revenue relating to the following taxable items sold pursuant to this Agreement; construction materials, leasing of motor vehicles, food and lodging, [See Minnesota Statute 297A.70 Subd 2(b)]. These taxes may consist of, but are not limited to, the Minnesota state entertainer tax, Minnesota state nonresident withholding tax, federal withholding on payments to foreign nonresident aliens, and federal backup withholding. See Section 4.25 regarding Contractor's obligation to provide a valid TIN and certification as to whether federal backup withholding applies.

4.6. Risk of Loss. With respect to any goods provided under this Agreement, risk of loss shall not pass to University until such goods have been actually received and accepted by University, pursuant to Section 4.3 ("Inspections and Improper Delivery"), at the destination specified by University. Contractor assumes full responsibility for packing, crating, marking, transporting and liability for loss or damage in transit, notwithstanding any agreement by University to pay freight, express, or other transportation charges.

4.7. Use of University Name or Logo. Contractor agrees not to use the name, logo, or any other marks (including, but not limited to, colors and music) owned by or associated with University or the name of any representative of University in any sales promotion work or advertising, or any form of publicity, without the written permission of University's Purchasing Services in each instance.

Subject to the conditions below, payment shall be made by University within thirty (30) days upon Contractor's presentation of an invoice for goods delivered or services rendered pursuant to this Agreement. In the case of goods, however, payment shall not be due prior to thirty (30) days from the date the invoice is received by University at the address indicated in Section 4.24 or from the date the goods are delivered to the destination specified herein, whichever is later. University may withhold payment in whole or in part for goods or services found by University to be defective, untimely, unsatisfactory, or otherwise not conforming to this Agreement, or not in accordance with all applicable federal, state, and local laws, ordinances, rules and regulations.

4.9. Termination. University may terminate this Agreement in whole or in part for its sole *Convenience*. Upon notice of such termination, Contractor shall immediately stop all work including shipment of goods under this Agreement and cause its suppliers and/or subcontractors to cease their work for this Agreement. In the event of such termination, Contractor shall be entitled to payment, calculated on a pro rata or other equitable basis, determined by University in its sole discretion, for work or services satisfactorily performed. In no event shall Contractor be paid for work performed or costs incurred after receipt of notice of termination, or for costs incurred by suppliers or subcontractors which reasonably could have been avoided.

University may terminate this Agreement in whole or in part for *Cause* upon seven (7) days written notice if Contractor fails to comply with any material term or condition of this Agreement, becomes insolvent or files for bankruptcy protection, or fails to comply in a material way with the requirements of this Agreement. Late delivery of goods or services, or delivery of goods or services that are defective or do not conform to the Agreement shall, without limitation, be causes allowing University to terminate for cause. If a determination is made that University improperly terminated this Agreement for Cause, then such termination shall be deemed to have been for University's Convenience.

4.10 Independent Contractor. CONTRACTOR SHALL PERFORM ITS DUTIES HEREUNDER AS AN INDEPENDENT CONTRACTOR AND NOT AS AN EMPLOYEE OF UNIVERSITY. NEITHER CONTRACTOR NOR ANY AGENT OR EMPLOYEE OF CONTRACTOR SHALL BE OR SHALL BE DEEMED TO BE AN AGENT OR EMPLOYEE OF UNIVERSITY. All such items shall be retained by Contractor during the term of this Agreement and for a period of three (3) years after the delivery of the goods and/or services.
