YOUR RIGHTS AS A SUBJECT OF DATA:

Dear Applicant: You are applying for a position with the MnDOT Civil Engineering Internship Program. The Minnesota Government Data Practices Act (MGDPA), Minn. Stat. Chapter 13 requires that you be informed of the following about the private data requested on this application. Specifically, MnDOT must advise you of the purpose and intended use of the data, whether you are legally required to provide the data, the known consequences for providing or failing to provide the data, and the identity of those who will see your data (Minn. Stat. 13.04 Subd. 2):

1. Purpose for requesting data: In order to consider you for a position with the Civil Engineering Student Worker Program, MnDOT needs you to complete this application and provide some *private data* about you such as:
 - Your **name, home address, telephone number:** This data is needed to contact you about potential job opportunities and to ensure accurate identification of your application.
2. Requirements to provide requested information/Consequences for providing or not providing the data: You are not legally required to provide any of the information requested on this application form. However without this information, MnDOT will not be able to process your application further or consider you for the Civil Engineering Student Worker Program.
3. Identity of those who will receive and review the data: MnDOT personnel whose work assignments reasonably require access during the hiring process will have access to the data you provide on your application. All private data you give us is only shared or released as required by the Civil Engineering Student Worker Program, as authorized by law and/or with your informed consent.

I have read the above Data Practices Notice and have had a chance to clarify any concerns or questions I have. I give MnDOT permission to use the data I provide on this application in the ways described on this application (Please sign below):
